

Add Some PINK Into Your PNEUMATIC TUBE SYSTEM & Support A Great Cause

In Support of Breast Cancer Awareness Month

Pevco will donate \$25 to [Bright Pink](#), for each pink carrier sold. Bright Pink is a nonprofit organization that helps to save lives from breast and ovarian cancer by empowering women from all walks of life to know their risk and manage their health proactively.

This is a great opportunity for your hospital to

- Enhance existing Breast Cancer Awareness programs
- Try Pevco's latest generation of carrier
- Add new color options to your system/departments

For A Limited Time
